Subject: Walker Corporation proposal

The Executive Commissioner,
Resource Planning and Development Commission

Dear Sir,

I am writing to add my voice to many other concerned Tasmanians and urge you to reject the Walker Corporation's proposal for the development at Ralphs Bay.

Ralphs Bay is a Conservation Area and the wildlife found there must be protected from developments like the one mooted.

We don't need this type of artificial waterfront development in Tasmania.

Many Tasmanians feel like I do. Please don't approve this scheme!

Regards,

Denise Eagle
