Dear Ms Hughes

Lauderdale Quay Development Proposal

We refer to the recent supplementary submission made by Clarence Council and your letter to Mr McElwaine dated 23 September 2009 asking whether Walker Corporation would like to respond to the submission.

We note that the email circulated to representors last week regarding the Council submission did not invite further submissions in response to that document.

The Council submission raises a number of issues that Save Ralphs Bay Inc (**SRB**) believes should be addressed prior to completion of the Draft Integrated Assessment Report.

Please advise what opportunity will be given to SRB and other stakeholders to respond to the Council submission.

Kind regards,

Environmental Defenders Office (Tas) Inc
