Dear Mr Ramsay,

**Clarence Local Provisions Schedule**

I refer to your letter to Mr Ian Nelson dated 6 May 2021, copied to Mr Dan Ford.

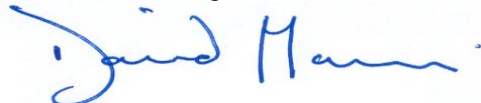

The letter requires the Planning Authority to provide to the Commission by close of business on Wednesday 19 May 2021 final submissions in relation to the application of Hobart Airport Obstacle Limitation Area and Obstacle Limitation Area Mapping for the Cambridge Airport suitable to meet the requirements of Airlines of Tasmania and revised GIS mapping.

The purpose of this letter is to seek a further extension of 14 days to comply with that requirement. It may be that the material can be provided earlier than the 14 day extension requested. The reasons for seeking the extension are:

- (i) I am in the process of providing advice and seeking instructions from the Council which will impact the content of the final submissions that will be made on behalf of the Council in this matter.
- (ii) Doing the best it can, the Council is still working as hard as it can to provide the revised GIS mapping.

I look forward to your response.

Yours faithfully  
Simmons Wolfhagen
