Subject: S40K(2) information regarding PLAM-22/08 to the Glenorchy LPS - Technopark

Hi

The exhibition period for Planning Scheme Amendment PLAM-22/08 to the Glenorchy Local Provisions Schedule concluded on 21 August 2023.

The proposal is a planning scheme amendment to modify the provisions of GLE-P2.0 Particular Purpose Zone - Technopark

In respect to the requirements under S40K(2) of the *Land Use Planning and Approvals Act, 1993*:

- (a) No representations were received during the public exhibition period. It is noted that TasWater indicated no objection to the proposed amendment during the preliminary referral process. Their response has been provided to you previously
- (b) As at 22 August 2023, no representations have been received after the end of the exhibition period
- (c) No changes to the amendment are recommended
- (d) The planning authority indicated that the amendment meets the LPS criteria in its report of 10 July 2023. As no changes are recommended to the amendment, this position has not changed
- (e) No changes to the amendment are recommended.

Please note that the Co-ordinator Strategic Planning has delegation to provide a report to the TPC where no objections to an amendment have been received and no changes are recommended

Thanks

LYNDAL BYRNE
