Good morning

I refer to the attached Direction letter. As flagged at the Hearing, I will be on leave from the 11th September returning 16th October and I will be unable to provide a response to the Direction by 19th October and our office does not have the capacity for other staff to respond. I am seeking an extension to the submission deadline until Sunday 5th November 2023.

Further, Council are seeking additional guidance from the Panel regarding on options for a staging plan. Based on the discussions at the Hearings, Council expects that the Panel has some thoughts about what a staging plan could look like and Council are hoping to discuss this further. Particularly Council are seeking guidance on whether there are other examples in other Local Provisions Schedules that would be helpful in preparing staging options.

Please contact me should you wish to discuss further.

Kind regards
