I object to this stadium, with good reason. This massive amount of money could provide homes for the homeless, due to no fault of their own. Often they are women deserted and made penniless by their husbands of many year.. women who have run and cared for a family over most of their lives , whilst their husband plays away. No updated skills, no young bodies,their lives spent supporting their family . No updated computer skills, no confidence and no help or decent support!

Those who are sick and homeless, those who need assistance like the elderly, those who need hospital care... are just forgotten!!

It is an absolute abomination that people wait(often till it's too late) for medical and hospital assistance that never comes.

We have stadiums... WE NEED HOSPITALS BEDS. WE NEED MEDICAL SPECIALISTS and NURSES TO BE PAID THE SAME AS THE MAINLAND!!

No wonder they leave!!!

Wake up.

I am disgusted with you all!
