Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I am a retired long time resident of Tasmania. It is a special and beautiful place which I have grown to love and treasure over the years. I was one of the lucky ones who experienced all the joys of living in a somewhat pristine environment without the hassles of modern living. This has changed and will change irrevocably if this monstrosity is built. I am **TOTALLY OPPOSED TO THE BUILDING OF AN AFL STADIUM AT THE MACQUARIE SITE-** or anywhere else for that matter.

I have read and fully endorse the submission made by Our Place - Hobart.

We do not need a covered AFL stadium in Tasmania. we do not need it , we cannot afford it and it will simply end up as a millstone around the necks of those to come.

If you have spare cash spend it on the homeless, on health , on education. I am sure the controversy over the proposed AFL stadium will bring this government down. **ROLL ON THAT DAY!**

Yours faithfully,

Christine Needham
