Dear Mr Risby

Draft Tasmanian Planning Policies

The Commission has prepared an overview summary of the representations made on the draft Tasmanian Planning Policies (TPPs). The Delegates would welcome any written comments or responses from the State Planning Office (SPO) to any matters listed in the overview summary. It is a matter for the SPO to determine which matters to comment on and there is no expectation that any particular matter should be considered.

At the end of the hearing process, the Delegates anticipate that they will have some particular issues on which they will seek SPO comment. That will be a separate process and one that is conducted through the hearing process. The SPO will be advised in advance in relation to those matters.

As is usual Commission practice, this Direction, and any SPO responses will be published on the Commission website.

If you require further information please contact Louise Blyth, Planning Adviser, on 6165 6818.

Yours sincerely

John Ramsay
Delegate (Chair)
