Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

It is vital that Tasmanians have complete transparency of the guidelines and that Government give every voter the right and the time, to make submissions. It is unforgivable for any government to bulldoze their way through for political gain, simply because of the short term whim of a premier who will be long forgotten in history, but will have destroyed a precious precinct.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Pat Cullen
