Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

The AFL can manage a Tasmanian team without building a costly stadium at Macquarie Point . which should be preserved as a public park for ALL Tasmanians to access, and .which will cost the Tasmanian Government precious dollars which should be allocated to housing, health and education.

The details of negotiations between The AFL and the State Government should be fully transparent and easily accessible.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Siobhan Dallas
