Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I have been disgusted by the behaviours reminiscent of the Lennon/Gunns pulp mill debacle with the Premiers blatant attempt to bypass scrutiny for the proposed stadium.

It is a terrible deal for Tasmania as shown in the Governments own incredibly optimistic 'business case' that still only manages a BCR of 0.5!

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Matthew Nicholas
