Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

Macquarie and Regatta Points, Hobart, are the wrong locations for the proposed AFL stadiums. It is too confined an area, will cause traffic problems and both designs are ugly eye-sores.

Macquarie Point would be better as a community open space providing linkages from the inter-city cycleway to the waterfront.

Our waterfront should be special and unique. Views to the waterfront should not be destroyed or blocked by bad developments.

I have read and fully endorse the submission made by Our Place - Hobart.

Thank you, Our Place - Hobart for your work. It's good to know there are people who care about our wonderful city and protecting its natural and cultural values.

Yours faithfully,

Tanzi Lewis
