Subject: Response to TPC re Kingborough draft Local Provisions Schedule (LPS)

Dear TPC members,

We write in response to your letter of 2nd April (ref: DOC/26/36829) advising that the Ireneinc report recommends our property be included within the Rural Zone (RZ) under the draft Kingborough Local Provisions Scheme (LPS), rather than remaining in the Landscape Conservation Zone (LCZ) as exhibited.

We did not make a formal representation during the public exhibition period, but we understand that the Commission has received correspondence on our behalf in relation to the draft LPS. We understand that we now have the opportunity to formally participate in this stage of the LPS process. We take up that opportunity and submit as follows:

We endorse the views expressed in the Ireneinc report, that our property should be included within the Rural Living Zone and NOT the Landscape Conservation Zone that was recommended under the draft LPS. Our property title number is [REDACTED] at [REDACTED] Tinderbox.

With thanks for your consideration of this matter.

Sincerely, Liz Moore & Randolph Wierenga.
