Hello,
Regarding Rezone proposal
[REDACTED] Allens Rivulet ([REDACTED])

We have been LIVING at this residential address for 27 years! The house was built in 1988 . Has always been classed / zoned 'residential'.

This also applies to our neighbours (442) , also affected in this proposal.

It is farcical that my neighbour to the left is included, but my neighbour to the right , isn't.

Please, STOP this insanity .

We haven't participated in the assessment process previously, because we were travelling abroad. We got this nasty news upon our return.

Please, the Ireneinc report is basic common sense

[REDACTED]
are Rural Living, NOT Landscape Conservation (ridiculous) We love our little plot, and look after well.

Yours sincerely,

Michael Dean
