

TASMANIAN PLANNING COMMISSION

Macquarie Point Multipurpose Stadium - Project of State Significance

Redaction Statement – Representations

Representors personal information, and inappropriate content in some representations, has been redacted prior to publication of representations on the Commission's website.

Unredacted copies of representations are provided to the Commission Panel delegated to assess the Project.

Should a representation with redactions be the subject of a hearing, a party to the hearing may make a request to the Chair of the Panel for a copy of the unredacted representation. Reasons for the release of the unredacted representation should be provided.

The Chair will exercise a discretion to release the representation in light of the reasons advanced, taking into account the relevance of the unredacted version to the issues arising at the hearing.
