Subject: 208 Bally Park Road re zoning.

To whom it may concern, I am writing to express my concerns regarding the proposed subdivision of 208 Bally Park Road, Dodges Ferry. As a nearby resident I have been running, walking, cycling in this area for many years and specifically using the foot access between Church Street and Lyeena Street. I would very much like to see this access maintained as it creates a great loop walk in the area, enabling one to avoid some of the busy main thoroughfare of Carlton Beach Road.

Yours sincerely,
