Dear Representors

Tasmanian Planning Scheme Central Coast Draft Local Provisions Schedule

I refer to hearings held in relation to the Central Coast draft Local Provisions Schedule.

I write to advise that further advice has been provided by Craig Ludlow of Entura confirming that the flood inundation mapping prepared by Entura along the Forth River upstream of Forth was not intended for flood planning purposes. A copy of the submission is available at:
<https://iplan.tas.gov.au/Pages/XC.Track.Assessment/SearchAssessment.aspx?id=829>.

You are being advised of the submission as it may relate to matters raised in your representation. The Commission invites you to provide a written response to the submission. If you wish to make a written submission, it should be made by close of business **31 August 2020** by email to tpc@planning.tas.gov.au.

If you require further information please contact Johanna Edwards, Planning Adviser, on 03 6165 6811.

Yours sincerely

John Ramsay
Delegate (Chair)
