Dear Mr Nelson

## Clarence draft Local Provisions Schedule

I refer to Mr Ford's letter of 15 December 2020 providing an interim response to the Tasmanian Planning Commission (the Commission)'s directions of 6 November 2020 on matters relating to the Safeguarding of Airports Code overlay mapping. Mr Ford notes that the planning authority will be unable to meet the deadline of 18 December 2020 as final detail of the overlay is yet to be resolved.

The Commission agrees to extend the deadline for the response to the directions. The submission must be provided to the Commission by close of business on **26 February 2021**. The Commission must also be notified of the date of the application to the Department of Infrastructure – Airport Protection.

Submissions are to be provided by email to [tpc@planning.tas.gov.au](mailto:tpc@planning.tas.gov.au). Where attachments are too large for email, please contact the Commission for assistance with accessing Dropbox. The Commission keeps electronic records and does not require hard copy documents.

All submissions will be made available on the Commission's website at [www.planning.tas.gov.au](http://www.planning.tas.gov.au). Please note that submissions will be published in full, without redaction.

If you require further information please contact Claire Armstrong, Planning Adviser, on 6165 6831.

Yours sincerely

John Ramsay
