

TASMANIAN PLANNING COMMISSION

Tasmanian Planning Scheme - Huon Valley draft LPS

Direction for the Information of all Parties - Unsolicited submissions

The Commission advises that as of close of business, 2 June 2023, it is unable to consider any further requests to seek leave to make a submission on the Huon Valley draft LPS. The Commission has accepted a number of unsolicited submissions to date, however there is now insufficient time left in the scheduled hearings for both the Commission and the Planning Authority to adequately consider matters raised in new submissions.

This direction does not extend to those submissions which the Commission has specifically invited, for instance those submissions in response to a Commission direction.

For any queries regarding this direction, please contact the Commission on 6165 6828 or email tpc@planning.tas.gov.au

A handwritten signature in black ink that reads "John Ramsay".

John Ramsay
Delegate (Chair)
