Please put the needs and wants of Tasmanians first. To go ahead with this insane expense and stadium is absolutely the wrong thing for Tasmania and Tasmanians. You are so completely out of touch with what the public actually want and need. In reality not many Tasmanians want this stadium.

We want to be able to go to the hospital and not be ramped for so long we get sicker or even die. We do not want to not be among the lowest in the world in our standard of education and the biggest one of all, we want homelessness to end right now.

What kind of govt puts a ridiculous stadium ahead of the urgent needs of the citizens.

So many Tasmanians are homeless. There are tents everywhere and a lot of these people are working families who pay tax!! What is wrong with the Tasmanian Govt?

Why is it the egos of a few will ruin this State even more than it already is.

With International companies ruining our environment along with the govt logging where they shouldn't be and with Air BnB ruining the State too why now this Stadium?

Please do the right thing for ALL Tasmanians, which is NOT to build an unnecessary Stadium. Upgrade what we have if necessary.

Regards

Linda Leslie
