Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

We are a football family. My dad played for North Hobart and represented Tasmania in 1951. My brothers all played, so I was excited when we looked like getting a team. Then it was announced where they were putting the stadium we had to have to get a team and it was a big NO. Then costings started being floated and extra training facilities and still more costs. Our children will be paying for this for years into the future. We follow Hawthorn and St Kilda and attend all the Tassie games we can afford. We can't afford to follow another team and attend the extra games. Stadium option 3 creates more questions, cos face it, we aren't getting any real answers for Rockcliffes folly, stadium 2.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Julie Andrews
