Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I think it is an utter disgrace and a very large BLACK MARK against our gov't....that they give in to the AFL and bow to their whims.

Our state cannot afford this humungous monstrosity , especially when the entire health system is in a state of total collapse, not to mention the education system plus essential services,ie ambulance understaffing etc.

Our gov't need to grow up and face the fact that this is a complete stuff up.

Roll on election time so we can rid ourselves of these parasites.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Jean Chapman
