Dear TPC,

**Integrated Assessment for proposed Stadium at Macquarie Point**

I strongly believe that the POSS process isn't the Macquarie Point Stadium and AFL deal be transparent and take into account all points mentioned in this submission.

I have read and fully endorse the submission made by Our Place - Hobart.

The POSS process should also look at the the impact that the transfer of workers required to build this stadium will have on other essential infrastructure projects in health, housing and education.

Yours faithfully,

Hamish Newsham-West
