Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I am particularly concerned that there be full disclosure of all communications between government, the AFL and all consultants.
I share Our Place's concerns about the Government's attempts to limit input to this process by the imposition of appalling timelines
want the guidelines to highlight the the State Government's role in ensuring long-term traffic planning for the citizens of Hobart instead of contorting traffic routes as a response to a stadium proposal; and
want the guidelines to give proper weight to the expressed need for meaningful Aboriginal reconciliation at the Mac Point site
want the guidelines to ensure that no discredited consultants such as PwC (PricewaterhouseCoopers) are engaged in the assessment process
don't want the guidelines to reflect an assumption that Tasmanians can't have AFWL and AFL teams without having a costly, poorly-planned and over baring stadium at Mac Point;
want the guidelines to ensure that all project consultants be at arm's length from the Tasmanian Government;
want the guidelines to set out requirements for photo montages that show Tasmanians realistic images of the proposed stadium and its overwhelming impact

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Trudy Woodcock
