Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I am a 5th generation Hobartian and love our city and its environs. The combination of the river and a beautiful mountain make the city very special. The proposed stadium in the proposed location is unbelievably ugly and I find it astounding that one sporting body can dictate to our government in the manner in which it has.

I have read and fully endorse the submission made by Our Place - Hobart.

The guidelines should set out requirements for photo montages that show Tasmanians realistic images of the proposed stadium and its overwhelming impact

Yours faithfully,

Hilary Cane
