Dear TPC,

**Integrated Assessment for proposed Stadium at Macquarie Point**

Housing is more important than a stadium- the cost of living crisis is more important, we already have 2 afl stadiums that are sufficient in the state. The Council trying to de-heritage list the goods shed is a clear demonstration of political power, greed & corruption. Tasmania is already in a crisis state - if you actually speak to others not from well-off suburbs and doing it tough. I am currently 15 weeks pregnant, no home, no job and i have a degree in Criminology! How is this acceptable!? NO NEW STADIUM.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Danyelle Bennett
