Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

This stadium is a massive cost to the taxpayer with little reward and a lot of lost opportunity costs on projects that need fixing - like housing, health and education. Not to mention other priorities like doing something to upgrade the facilities on kunanyi.

I have read and fully endorse the submission made by Our Place - Hobart.

The stadium will be a massive eyesore on the face of the Tasmanian waterfront and will lower the historical values that so many have fought to preserve and that so many visitors actually come here for.

Yours faithfully,

Peter Hicks
