Subject: Submission for zoning for [REDACTED], Blackmans Bay

Hello,

Thank you for receiving our submission for the following property in reply to your letter: DOC/26/36829

- [REDACTED], Blackmans Bay, Tasmania 7052
- Title: [REDACTED]

After consideration, we reject the "Landscape Conversation" category applied to our property initially under the Kingborough draft Local Provisions Schedule.

We **agree** with the recommended zoning in the Ireneinc report for our property: **Rural Living**.

Please let us know if there is any further information we need to provide or steps we should take to have our property at [REDACTED] **Blackmans Bay, zoned as Rural Living**.

Cheers,
Ben and Sarah Wilson
