Subject: Zoning Preference : [REDACTED] Kettering

To the Tasmanian Planning Commission,

I am writing to express the support for my property [REDACTED] Kettering (Title: [REDACTED]) being rezoned from the current Landscape Conservation Zone to the recommended Rural Living Zone. We believe that the Rural Living zoning better reflects the existing and intended use of our land. It would provide a more appropriate balance between environmental values and reasonable use of the property for residential and lifestyle purposes.

Thank you for your time and consideration.

Yours sincerely,

Nathan Anderson
