Dear Ms Olsen

South Arm Highway Intended Line Proclamation
22 Goodwins Road, Clarendon Vale
Folio of the Register [164805/1](#)

Several years ago a decision was made to modify the proposed alignment of the new South Arm Highway, protected by a proclamation made pursuant to sections 9A and 52A of the *Roads and Jetties Act 1935* in 1994, and abandon that portion of the proposal that directly affects 22 Goodwins Road, amongst other lands, in favour of the existing Rokeby Road between Pass Road and the vicinity of Hawthorne Place.

The process to amend the proclamation has commenced, with draft substitute proclamation plans reflecting the revised alignment having been prepared. Following finalisation, approval, and subsequent gazettal of the amending proclamation, a request will be made for instructions to be sent to the Land Titles Office to have the proclamation notification removed from all titles no longer affected by the intended line of the new South Arm Highway including 22 Goodwins Road.

The Department is therefore happy to provide confirmation to the City of Clarence that it has no interest in the lands contained in FR 164805/1 for a future highway alignment.

I trust the above will suffice. Please let me know if you require anything else or have any further queries.

Yours sincerely
