Acton Rd. should be rezoned to allow 1 Ha. Lots in its entirety. The newer subdivisions along Acton Rd. are presently in smaller than 2 Ha. Lots. My personal position is I have suffered Acute Myeloid Leukaemia in May 1919 . Because we presently have a 1 Ha Vineyard on site I can no longer look after it by myself. We have looked at selling up & buying elsewhere , but after extensive search have concluded we would rather stay at our present address . This would be possible of course if we could subdivide the vineyard off. Another possibility would be to remove the vineyard which we are contemplating as a last resort. It appears to me to be a double standard for some of Acton Rd. to be zoned 1Ha with the older parts 2Ha. My survival rate for (AML) is 25%
