Full name

Bruce Gibbs

Email adress

brucegibbs70@yahoo.co.uk

Postal address

73 Mannata Street, Lauderdale

Submission

The mapping for the Flood-Prone Hazard Areas Code is inaccurate in relation to 73 Mannata Street, Lauderdale and a number of other properties in this street which have been filled and developed over the past 5 years. The effect of the inaccurate mapping is that the Code will be erroneously applied to any future development which is not exempt and information incorrectly applied by third parties (such as the insurance industry or potential purchasers).
