Dear General Manager,

I walk on the walking track around Rosny Hill many times a week and love the natural bush space that is within my neighbourhood.

Unfortunately this area is also open to abuse by poor management of the lookout area and we frequently hear and see evidence of hooning and littering.

At present Rosny Hill is zoned as recreational.

I support changing the zoning of Rosny Hill to Environmental Management so more care and protection of this area may occur.

Yours truly,  
Julie Ginnivan,
