Subject: Attention Ian Nelson: PDPSAMEND-2021/022803 Rosny Hill Nature Recreation Area: rezoning to the Environmental Management Zone - OBJECTION

Attention Mr Nelson

I wish to object to the proposal to rezone the Rosny Hill Nature Recreation Area to an Environmental Management Zone if it in any way impacts the proposed development works currently approved for Rosny Hill. Our children need jobs, and the development will offer many employment opportunities along with the jobs created or maintained during the construction phase. I am not associated with the project in any way, just want to support and commend the council in standing up to the Rosny Hill Friends Network. Thank you for your time.

Regards
