Dear Sir

Draft Local Provisions Schedule – Representation for Rezoning of Department Land

Thank you for the opportunity to view and make comment on the Huon valley Council's Draft Local Provisions Schedule which has been advertised recently.

I would like to make a representation regarding the zoning which has been applied to some of the Department of Education properties located within your municipality.

Primarily I have concerns regarding the Franklin Primary School and Wayraparatte Child & Family Centre sites which have been zoned as Village, and the Cygnet Library which has been zoned as Local Business.

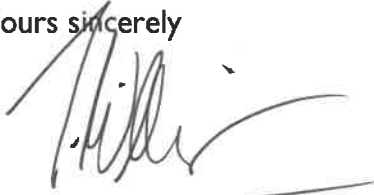

As these are key community facilities that provide educational or community-based services, it would be more appropriate that these sites be zoned Community Purpose.

Below is a list of the sites and the Property Identification Number (PID) that are owned by the Department of Education that I would like to have zoned as Community Purpose.

Site Name	PID
Franklin Primary School	5709406
Cygnet Library	5851795
Wayraparattee Child & Family Centre	5255061

Your consideration of this representation is greatly appreciated.

Yours sincerely
