Dear representor,

## **Huon Valley Draft Local Provisions Schedule (LPS) – Expert Agriculture Assessment**

I refer to the Huon Valley draft LPS hearings held by the Tasmanian Planning Commission (the Commission) up to 18 April 2023.

The Planning Authority has provided the Commission with a copy of its report under section 35F of the *Land Use Planning and Approvals Act 1993* (the section 35F report), which it has annotated with comments in relation to the assessment of your representation, by the Planning Authority's engaged experts RMCG.

A copy of the annotated section 35F Report is on the Commission website, which can be accessed by the following link: [Submission 5 - Planning Authority response to Direction 1.18 3 April 2023](#).

Your attention is drawn to this document as the comments in it relate to your numbered representation.

Should you wish to provide a response to the comments you are invited to do so in writing at least 7 days before your representation is listed for hearing.

The current hearing schedule is on the Commission website, which can be accessed by the following link: [TPC hearing schedule current as at 30 March 2023](#).

Alternatively you may provide your views on the RMCG comments when you attend the hearing of your representation on the day it is scheduled.

If your representation has already been heard, whether or not you attended on the scheduled day, you are invited to provide a response in writing should you so wish. Your response should be provided by **Thursday 4 May 2023**. If you also wish to make an oral statement to the Commission, please advise the Commission by emailing [tpc@planning.tas.gov.au](mailto:tpc@planning.tas.gov.au) and a date will be arranged for your attendance.

Yours sincerely

John Ramsay
