Dear Mr Browne

**Huon Valley Local Provisions Schedule (LPS)
Request for extension of time to submit response to Directions**

I refer to an email received on 15 December 2023 requesting a further extension of time to provide responses to outstanding directions.

I can confirm that the following directions remain outstanding:

- Direction 51 issued on the 30 May 2023 (in regard to the Priority Vegetation Area overlay as it applies to 101 Sorell Street, Port Huon); and
- Direction 32 issued on the 9 August 2023 (in regard to the proposed application of the Scenic Protection Code to land at Blackswan Lagoon).

The Commission acknowledges the recent work undertaken by the planning authority in responding to a number of outstanding directions. Consequently the directions listed above are the only directions which the planning authority now needs to respond to.

In accordance with the request, an extension to respond to these directions is granted until the 25 January 2024.

If you require further information please contact Linda Graham, Planning Adviser, on 6165 6826.

Yours sincerely

John Ramsay
Delegate (Chair)
