I am a Tasmanian Grandfather , and totally oppose the building of such a stadium !

I have always backed a future Tasmanian AFL team , in fact i have a formal document thanking me for pledging to help finance such a team .

But Tasmania desperately needs serious financial support , Statewide , in the basic fields of Medicine , and Education .

Tasmania has no foreseeable hope of having such funds , if it commits to this shocking cost of such a limited-purpose stadium .

Tasmania does not deserve to be paralysed , financially , because of the narrow interests of the AFL !

Yours faithfully ,
