Dear TPC,

**Integrated Assessment for proposed Stadium at Macquarie Point**

I am a 40 years resident of Hobart. I am appalled at the context in which a popular sport has been hijacked using a contrived process by vested interests to force the Tasmanian Planning Commission to adjudicate on a development proposal that simply does not make economic sense.

I have read and fully endorse the submission made by Our Place - Hobart.

I wish to confirm that I have read the four (4) pages of the submission and unilaterally support all the material as represented and trusting the Tasmanian Planning Commission has the authority and fortitude to use this assessment opportunity to reject all potential interference by vested interests.

Yours faithfully,

COLIN Trevena
