Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I'm an 80 year old, aghast at the enormous debt that will be carried by the already burdened young.

I have read and fully endorse the submission made by Our Place - Hobart.

Former Victorian premier and ex-Hawthorn president Jeff Kennett, after reading the contract between the AFL and the Tasmanian government that was signed in May, stated "...putting its(Tasmania) head into a debt noose for years to come."

Former Collingwood president Eddie McGuire said in May on Footy Classified that a stadium expert had told him a roofed venue would cost \$1.5 billion.
