Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I am extremely concerned that the stadium is being rushed through without true recognition of the traffic issues, blot on the city scape, and the fact a Tasmanian team must not be dependent on a new stadium. The financial cost to future Tasmanian generations is frightening and will impinge on all services eg health - already dire, education, the Arts just to name a few.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Janet Rutherford
