Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

It is with incredulity that I pen this missive. In the words of someone far more eloquent than I, we have a housing shortage, not a football shortage. We are vying with the NT on most health and education indicators, really we need a super expensive stadium. Built in what is arguably one the most beautiful waterfronts for any City anywhere?

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Jenny Gee
