Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I am distressed at the prospect of a stadium being built at Macquarie Point. It would be completely out of place in that environment. An eyesore. The docks and environs are a gem and this beauty should not be squandered.. There are urgent needs that need to be met such as housing, traffic congestion, ambulance ramping before any such project should be contemplated. We have stadia where AFL plays. Surely it is a risky and wasteful indulgence to build another especially on such an inappropriate site and immoral to pour taxpayer's money into it while there are pressing unmet needs in the community.

I have read and fully endorse the submission made by Our Place - Hobart.

Yours faithfully,

Ruth Graham
