Dear TPC,

**Integrated Assessment for proposed Stadium at Macquarie Point**

Macquarie Point is an awful location for a stadium  
It will dominate and overwhelm all the charm and beauty of the current waterfront dockside and harbour areas  
Tourists come to see those things  
Tourists don't come to look at a concrete stadium which is empty 350 days of the year.

I have read and fully endorse the submission made by Our Place - Hobart.

The financial predictions made by stadium proponents about attendance, events and flow on benefits to the economy just don't stack up.

Yours faithfully,

Rod Bomford
