Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I am a lifelong Hobart resident and have serious concerns regarding the proposed Macquarie Point development. To this end

I have read and fully endorse the submission made by Our Place - Hobart.

I do not feel Tasmania's AFL inclusion should be contingent on an under-consulted, costly, unnecessary, obstructive construction such as the proposed stadium. I urge the planning commission to give proper weight to the concerns of both the public and appropriate and credible consultants, with particular attention to reconciliation, traffic requirements, and the quality of life for Hobart residents which will undoubtedly be seriously impacted by the proposal under discussion.

Yours faithfully,

Bonnie Jones Dobson
