Good morning Ms Lightfoot,

Thank you for your request.

The Commission's usual practise is that the recording is not transcribed nor made publicly available.

However, due to the complex nature of the draft amendment, the chair has advised that a copy of the hearing recording can be provided to you. Please note that the text is generated by MS Teams. 'The transcript' is not a formal transcript and it is likely to contain a range of errors. These should be able to be reconciled against the actual recording.

Kind regards,

Paola Barlund
