Subject: Submission – Draft Kingborough LPS (Ref: DOC/26/36829) [REDACTED]
Blackmans Bay

Attn: Linda Graham

Dear Council

We are writing to support the proposed zoning and conservation changes. The proposed changes seem to provide a reasonable balance between conservation and allowing people the flexibility to make practical use of their land.

We support easing some restrictions where appropriate, as this may benefit property owners while still maintaining the overall character of the area.

Thank you for the opportunity to provide a submission.

Yours sincerely,

Elizabeth and Rodney Callahan
