Dear Nick,

Thank you for your letter dated 2nd of April 2026 in relation to [REDACTED] Howden.

We are very happy that the letter recommends that our property be now classed as a Rural Living Zone.

We are so grateful to you for taking the time to review our submission and expediting our hearing. The process has created very anxious times for us, especially for Gary who has Alzheimers. That decision has certainly relieved some of that anxiety.

Once again, thank you so much

Kind Regards,
Kathryn and Gary Leonard
