Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I am concerned that the idea of a stadium was proposed by the AFL and accepted without question and under ridiculously strict conditions by the Premier without proper consultation.

I have read and fully endorse the submission made by Our Place - Hobart.

There should not be a stadium on the beautiful foreshore of Hobart, nor should the citizens of Tasmania have to pay for a stadium. It seems that all the ideas of making it an arts precinct and ensuring that the traffic is improved have come as an after thought simply to have the people accept the stadium. in addition the supposed need for extra training facilities which will take up more public land is absolutely unacceptable.

Yours faithfully,

Janet Butler
