Dear TPC,

Integrated Assessment for proposed Stadium at Macquarie Point

I do not believe there is an economic case which would favour building another stadium.
The guidelines of the Planning Commission need to be strengthened so there is full disclosure of all communications between government, the AFL and all consultants. The guidelines should also not reflect the assumption that Tasmanians can't have AFWL and AFL teams without having a costly, poorly planned and ugly stadium at Mac Point

I have read and fully endorse the submission made by Our Place - Hobart.

I have read and fully endorse the submission made by Our Place
I am also concerned that there has been an attempt to limit public input into this issue by having such a short timeframe.

Yours faithfully,

Louise Heddle
